Dear Parents and Guardians,

This summer Ferrell Girls Preparatory Academy (GPA) encourages students to continue reading. Research shows that children who do not read during the summer may lose a month or more of reading progress. Help us ensure this does not occur by supporting our Summer Reading Program.

We ask all students to read two novels this summer and complete an assignment for each book. One book is pre-selected by grade level and the other is student choice. Sixth graders are required to read **The Raft** by S.A. Bodeen. This book follows Robbie's journey as she and Max struggle to survive on a raft after a plane crash. They have no water. Their only food is a bag of Skittles. There are sharks. There is an island. Read the book and see what happens to Robbie. Students can choose the second novel from any of the suggested grade-level reading lists, like the Sunshine State Young Reader's Master List of Titles or the Just Read Family Reading List 2018. Access to this book and many more can be obtained:

- For free under Axis 360 at the Hillsborough Public Library website ([www.hcplc.org/](http://www.hcplc.org/))
- At your local book store

Attached are detailed instructions to help your child complete the GPA Summer Reading Project. Both assignments must be written neatly in pencil, blue, or black ink or typed in a size 12 font which can be easily read. Assignments are due on Friday, August 17, 2018 to your homeroom teacher.

We are excited about our Summer Reading Project and thank you in advance for your support. If you have any questions or concerns, feel free to contact us at (813) 276-5608.

Educationally yours,

***Girls Preparatory Academy Literacy Team***
